Back when I was younger, Wild and bold and free,
I can still remember How the music used to be:
Chords like rolling thunder Loud beyond control
Ev’ry note and lyric Branched right across my soul

22. Where Did The Rock Go?

Music by ANDREW LLOYD WEBBER
Lyrics by GLENN SLATER
School Of Rock

Where did the rock go
Where's the rush of those electric guitars?
Where are all those voices raised to heaven,
Blazing down like shooting stars?

Tell me,
Where is the passion? Where's the rattle and the roar and the buzz?
Where do last year's one-hit wonders go to? And what happened to the girl I was?

Where Did The Rock Go?
Somehow I got older, Year by busy year,  

Guess the songs kept playing, But I didn’t stop to hear.

All that youthful swagger Turned to grown-up doubt. And the

world spun like a record but the music faded out.

School Of Rock

Where did the rock go? Where's the
pounding of the drums in my veins?

When did all the static fill the airwaves?

When it's gone, then what remains? Tell me,
Where did the time go? Where's the joy I used to know way back when? Where's the power and the beauty And the frenzy and the rapture? Where's the magic of the moments Only rock could ever capture? Now the
on-ly thing I’m hear-ing Are the e-choes dis-ap-pear-ing

thanks for the reminder That there's music in me yet...

Where did the rock go? All those feelings that I've learned to ignore?

If you flip the record and start over, Does it...
sound the way it did before...
